

HANSON AND SPRINGWOOD SUMMER CAMP 2018

We would like to take this opportunity to welcome you to the community of Hanson School and thank you for signing up to the exciting Summer Camp we are offering all new Year 7 pupils.

We all value your child’s success and understand this can often be a daunting time for both your child and yourselves. Taking this into consideration Hanson has partnered up with local Youth and Community Centres to offer a unique opportunity to assist your child in their successful transition into secondary school.

Last year’s participants had a fantastic time and found the whole summer’s experiences useful in making friends and learning new skills allowing them to start September with a positive attitude to the new challenge ahead.

Students will have the chance to get to know and familiarise themselves with the expectations required at Hanson School and meet all the other new pupils starting with us in September.
