March 2019

Dear Parent/Carer

Year 11 Revision Timetable

The Year 11 revision timetable will be running after school from Monday 4th March 2019. Students have today been given a paper copy of their new timetable and this has also been circulated to parents via email and the MyEd app. If you do not receive this, please contact school.

The lessons will run from 3pm to 4pm and students are expected to attend all timetabled sessions. These sessions are to boost grades in key subject areas and support students' progress in the lead up to examinations.
